Webster's dictionary defines memory as the act or fact of retaining mental impressions; remembrance; recollection. As we flip through the pages of our past, will we remember all that has happened to us? Homecoming, Prom, Turnabout, Sporting events, the smell of popcorn and hot dogs or even the thought of our dearest friends can all be recollections of each individual's past.

The 1996-97 Chieftain Yearbook Staff chose "If These Halls Could Talk,"

for a simple reason . . . What do you think they would say about us? Believe it or not, these halls have watched us grow from measley freshmen and sophomores, to respectable juniors and seniors. They've seen us triumph during the good times and fall during the bad times.

If these halls could talk, what would they say about us?

# Homecoming Court '96

This year's Homecoming Court was very unique because it consisted of four football players, two cheerleaders, and two Warriorettes. The Queen and King Candidates were Jon Bittke and Nick Botts, Beth Hopper and Bryan Lukawski, Christina Mendoza and Antwan Pylekino, and June Rogers and Jason Scott. At half time the queen candidates were driven around the track with their escorts. After walking across the field Christina Mendoza was crowned Homecoming Queen. Later, at the dance, the king candidates got together and Nick Botts was announced Homecoming King. Congratulations to seniors Christina and Nick!

Note: Salina Malone carries Christina Mendoza the '96 Homecoming Queen!

Bryan Lukawski, Antwan Pylekino, and Jason Scott were hard in last in the final round, but Nick Botts came out on top.

Right: Adrienne Potoma rehearses her argument for the congress contest.

THE ACADEMIC SUPERBOWL TEAM members compete in six different categories: Social Studies, English, Fine arts, Mathematics, Science, and Interdisciplinary. # Business Professionals of America

This year's Business Professional of America enjoyed great success. The club did suffer a set back by starting the year with 19 members and ending the year with only 9 active members.

The Business Professionals of America were very active throughout the year. They had their yearly Valentine's Day balloon sales, the Christmas "office party" held for members and the faculty, and Ms. Simic was always in the hall selling candy for the club's fund. With all the money raised, the Business Professional of America were able to attend the National Conference in Orlando, Florida.

Before the club could attend Nationals, they had

to compete in local competitions. During the end of January, BPA members attended the local competition. Six of eight participants qualified for the state by placing in the top four positions in their respective categories. In March, BPA attended the State Conference in Indianapolis. Only one participant qualified for the National Competition: Ann Cullum in the Information Processing Specialist category. Other members accompanied Ms. Simic and Ann to Orlando for the National Competition and to cheer for Ann.

While at Universal Studios in Orlando, Carly Smith, Juné Rogers, Ann Cullum, Kerry Griffith, Brandi Westbrooks, and Teresa Carson find ponchos work best to keep the rain off them.

The Honor Society also stays after school and helps other students who are in need of tutoring. They went a number of times throughout the year to the Highland Nursing Home, where they participated in different activities such as bingo and putting puzzles together with the residents.

In order to be inducted into the National Honor Society you must receive all A's and B's for one semester. You must also maintain a 3.0 or better GPA. If a student meets these requirements, they will be sent a letter from Mrs. Walters, NHS sponsor. The student must then write an essay stating qualities of leadership, service, and character. Once this is read and approved, the student will be notified whether they will be inducted or not.

Junior April Jurca carefully studies her article very carefully, checking to make sure everything looks as planned.

The Calumet Newspaper is a class that students choose to take. They are in charge of publishing the newspaper once every month. All students have their own specific job, and once they are done gathering all their own information they all join one another to carefully put the newspaper together. When we asked Mr. Boufis, the class adviser, what he thinks about this year's newspaper staff, he replied, "I think they are really great people, I look forward to this class every single day."

*"In Newspaper we get a chance to acknowledge the accomplishments of our fellow student body and of ourselves."*

—Jenn Bittke

The Calumet Newspaper staff does many things throughout the year to raise money to help Calumet students get the newspaper. They have raffled gift certificates to Southlake Mall, had Corey Seliger dress as an elf to sell Christmas wishes, and sold Valentine's wishes to the students.

This year they have decided to participate in the annual Calumet Fun Fair. The newspaper staff is busy all year round, doing numerous things and producing a great and informative newspaper.

### Q: What do you think about this year's Newspaper Staff?

A: Dawn Simanson replies, "This is one of the best classes I've ever had because it allows people to be open minded and creative. Also, these are some of the nicest people I've ever had the pleasure of being in class with."

A: Stacye Wilson replies, "Newspaper has really improved from the past years. It's much more factual as far as important school related subjects."

# PEER MEDIATION

PEER MEDIATION is for students who have personal conflicts with other students. They resolve their disputes in a constructive manner. The students see a Counselor, Social Worker or Assistant Principal about conflict resolutions with the help of trained student mediators. Student mediators help solve student conflict and establish a win-win resolution.

## HANDLE WITH CARE

P.U.S.H., Prevention Using Student Help, is a drug awareness program. This club works with high school students training them about everything possible about drugs. They go to elementary schools and the middle school telling children about drugs and the harmful effects of them. They teach the children more about drugs so they'll have the awareness of what problems drugs cause.

To also tell about drugs, there is a Red Ribbon Week where we celebrate being drug free, so children can be proud of being drug free.

## Spanish Club enjoys an active year

The Spanish Club is very active. This year it participated in homecoming, took several field trips, sponsored a game at the fun fair, and supported a group that went to Spain and France during spring break.

Officers of the Spanish Club are Traci Jelinek, president; Amber Fraker, vice president; Justin Johnson, treasurer; and Mike Gullette, secretary.

# Student Council

This year Student Council was very active. They sponsored many events that were both fun and charitable. Student Council was in charge of the homecoming pep rally, and all the other fun homecoming activities this year. Also Student Council went to Indianapolis in the fall for a Student Council Convention. There they met many different people from all over Indiana and had a great time. Student Council also was in charge of Calumet's annual blood drive. They had a great turnout and received 76 pints of blood. During Christmas of '96 Student Council

Council was fun  
because I got to  
be involved in  
preparing for  
the activities.

sponsored the door decorating contest. The advisement classroom with the best decorated door was awarded a pizza party. There were many creative people showing their abilities for that. Also Student Council had a jail set up for the annual class fun fair. There they raised money by putting students in jail for a short period of time.

All in all, Student Council is a great organization. They are very involved in making our school year fun and memorable. Many students were part of student council this year. The 52 members were sponsored by Mrs. Korellis.

# YEARBOOK STAFF

# *the CHIEFTAIN*

The Chieftain is put together by a dedicated group of students. The staff is responsible for developing the theme of the yearbook and for carrying it throughout the pages. Staff members design all pages, pick all pictures, and write all copy. Deadlines are set and page assignments are given to ensure students are continually working on the yearbook. The Editor and Co-editor make sure all events, sports, and miscellaneous topics are covered. The staff works hard to ensure the student body remembers events from the school year.

# I.C.E.

Members of the I.C.E. program have to balance school work with work every day. These students either find a job on their own or one will be found for them. Once a job has been secured, they attend school in the mornings and go to work in the afternoon. Each student is checked on while at work to make

sure he or she is doing a fine job. Mr. Portman, the sponsor of I.C.E., is very dedicated to these students and is determined to see that they make it.

Students participate in such jobs as construction, secretarial, labor, fast food services, and other related fields.

While at the state convention in Indianapolis, I.C.E. students are treated to a dinner. In attendance are Tabitha Farler, Christina Oziminski, Patty Wallace, Don Busby, Dustin Stevenson, and Mr. Portman.

## Running For Respect..

Calumet's Cross Country Team seems to get smaller and smaller every year. Yeah what do you expect with all that running you have to do. Yes, it takes a lot of energy and heart to stick with something like this. Cross Country runners must be very dedicated, go through grueling practices, and run in different terrains despite the weather. This year's M.V.P. award was given to Mike Freeman. Other awards were received by Gary Bolyard, Three Year Letterman and Candi McKee for the Most Improved Runner. Candi also received Second Team All Conference.

## Serve It Up !

The 1996 Calumet Boy's Tennis Team struggled through a tough season with a record of 5-14. The team, led by Coach Tauber, had a lot of young talent with great potential and attitudes. Senior Chris Hodal came out with Most Valuable Player: Next year the Warrior Netters are looking forward to a better season leading off with the Most Improved Player, Brook Lowe.

Wow!! Check out that serve!! Sophomore Keith VonOgden really puts power into his serve against Lake Station.

# A NEW COACH, A NEW BEGINNING

The Warriors, lead by new head coach Ivan Zimmer, went through a rough season this year. Even though the Warriors didn't win a game, the whole team improved in passing, tackling, kicking, and running.

During the sectional game the Warriors played great against the Andrean 59'ers. Although they didn't end the game victoriously, they didn't give up. NICE JOB GUYS!!!!

When Coach Zimmer was asked what's in store for the future, he said, "The way we played this season illustrates the program is in place - foreshadowing good things to come."

The girls' swim team was swimming a little short this year, with only two swimmers. They put forth a lot of hard work and effort into their season. The girls showed a lot of pride towards their team. Brittany Spencer received the Most Valuable Player Award. The other swimmer was Darcy Diehl. The two girls were not the only ones who had to put time and dedication into their hard work. The coaches also played a big role of their own. Both girls put their whole hearts into their meets to accomplish their best scores and times.

This year's boys' swim team was one of many good ones. Four new records were broken by sophomores and senior Kion Williams did a wonderful job diving. Two of the relay teams and sophomore Don Clinton made it to the Munster Sectional Final. The swim team finished fifth out of ten teams in the Lake Ten Conference. Winning their last meet against Wirt gave them a winning season, nine wins and eight losses.

This year's award winners were: Matt Ireland, NEVP, Don Clinton, Most Improved, and Kion Williams, Pride, Hustle, and Desire.

# SHOOTING For The Stars

★★The JV team won their first and only game this year against the Hobart Brickies on Wednesday, December 18, 1996. Even though this was the only game they won, they still gave their opponents a run for their money. All-in-all the ladies showed determination, hustle, and pride throughout the season. They also realized this was a learning experience for the whole team, and they feel they did learn.★★

This is a time to learn all the fundamentals and skills needed to play at varisty level. Sometimes basketball takes more than just muscles, quickness, and fancy moves; you need the heart of a fearless knight and the patience of a surgeon.

# Life In The Fastlane

Coach Tracoff was able to gain his 100th career win this season with a little help from his players. Although he will be losing three very valuable seniors, he's confident that other underclassmen such as Bruce Lockwood, Justin Brown, Clifton Coloma, Eric Eskols and others will step up to own the court. At the Winter Sports Banquet on March 19, 1997 several players stepped away with special awards. Senior Aronan Pipkins was

awarded with M.V.P., Best Free

Throw Percentage, 4 year letterman, McDonalds All-American Team Nominee, All-State Honorable Mention and he was Calumet High School's all time highest scorer with total career points of 1,365. Senior Deshawn Parks walked away with Leading Rebounder, Defensive Player of the Year, 4 year letterman,

McDonalds All-American Team Nominee and he also made the Hoosier 100. Seniors Carl George and Chris Hodal received Assist Leader and Most Improved respectively. Last, but not least, Juniors Justin Brown and Chancey Jones received Best Field-Goal Percentage and Best Attitude respectively.

## **JUST FOR THE YELL OF IT!!**

The Calumet High School Cheerleaders put a lot of hard work and time into their year.

They have a lot of high spirits when it comes down to bringing the fans and the teams up. The cheerleaders have a lot of fun times during practices, camps, tryouts, and even the games. The cheerleaders hold mini camps for the elementary girls. At the beginning of the year they tag and do car washes to raise money for their uniforms and camp.

The girls help support the teams and generate enthusiasm throughout the school during our spirit week.

## Girls Tennis

# In the Swing of Things

Playing in the near freezing temperatures, rain, light snow, and very little sunshine made this year's tennis team stronger - mentally. They never feared the conditions, always eager for the day's match. When the weather became too in-

climante, the team would head to Match Point Racquet Club in Griffith for practice.

Mr. Tauber felt the team improved over last season's, and hopes to see continual improvement. He enjoyed coaching this

year's team.

Award winners were Mary Strickland, MVP; Amber Fraker, Most Productive; Alyssa Bergman, Most Improved; Paula Wheeler, Best Mental Attitude; and Marcie Conder, Best Freshman.

Junior Varsity team members: front: Paula Wheeler, Marci Conder, and Chris Alexander, middle: Margaret Barnard, Heidi Knoerzer, Amanda Brown, and Rochelle Fuller, back: Brittany Spencer, Amanda Watkins, Katherine Flores, Jennifer Woods, Dawn Simanson, and Mr. Tauber.

Senior captain, Amber Fraker waits patiently for her opponent to return a baseline shot.

Sophomore Mary Strickland concentrates on the toss at the beginning of her serve.

Sophomore Dawn Simanson uses her nice backhand stroke to return an opponent's hit.

# POW-WOW on the MOUND

"Times are tough" - many people think of this as just an old saying, but for this year's Andy Warriors softball team, that was an understatement. This team started with an all new cast of players. Many of the girls had never played softball before, but were willing to give it a try. A lot of heart and determination was displayed by all the members of the '97 softball team.

Coach Gabbert, assisted

by Coach Yanta, continued to pep the team up at all games and during practices. They exhibited good work ethic and that carried over to the rest of the team.

Award winners were Becky Vierum, best hitting average and the Team Saver award, Shanda Scott, best fielding average, Misty Dockemeyer and Melissa Black received the Coach's award.

Tony Stash

*Starting the season with only two seniors and a team full of young talent, the varsity baseball team stuck together by team leadership and positive attitudes. Senior Tony Stash was selected MVP and Jason Hulen Most Improved. With all the young talent it was no surprise that three sophomores walked away with awards. Justin Benge - MVP Pitcher, Jimmy Ross - Highest Batting Average, and Mark Anderson - Rookie of the Year. Freshman Tim Seaton was awarded with Best Mental Attitude. They are full of confidence for next season with the strong players coming back for another year.*

"I think our strengths have been our attitudes toward other teams. We all knew that we were one of the youngest teams around but we still felt that we could give them some competition."

# C U T T I N' G R A S S

Most people look at golf as a "cany-on" sport. They think of it as a game you can play when you get older and other sports such as football or volleyball seem impossible.

You don't need a whole team, you can go by yourself, with a pal, or with a group of your old buddies. So maybe golf is not a contact sport and for those of you who think golf is using a long stick to hit a little ball real far over lots of grass, You're wrong! You have to do more than that. It's about eye-hand coordination, a certain flick of the wrist, head down, eye on the ball, knees bent, and keeping that left arm straight.

Our Golf team played in a total of 13 matches and only won two. Their highlight this year was beating ECC at home by twenty-five strokes.

Although the 1997 girls track team was small on numbers, they were big on success. After the indoor Lake 10 Conference meet, where the Lady Warriors finished third with only nine girls competing, coach Sean Begley knew he had some special athletes. The 4x100 meter relay team,

consisting of Shawnel Bradley, Candice Garmon, Marla Scott, and Shannon Johnson, went undefeated in the regular season, finished second in the conference, third in the sectionals, and were regional qualifiers.

Freshman Shannon Johnson began the season

never before hurdles yet, by the end of the season she was competing with the best and qualified for regionals.

Shawnel Bradley, another freshman, had an outstanding year competing in the 100 meter, 200 meter, and the 4x100 relay. Shawnel racked up so

many points this season that she ended up with the MVP award.

# Gospel Choir

Calumet had something new this year: the Gospel Choir. Their first performance was during school on February 20, 1997 for Black History Month. This concert was enjoyed by many students and teachers. While preparing for their second concert, the Gospel Choir made the Gary Neighbors section in the Post Tribune. Their second performance was on April 24 with Horace Mann High School to raise money for scholarships. The concert was a success and had a great turn out.

Turnabout is a great opportunity for everyone to come together after a long wait. It's a great opportunity for girls to ask their favorite guys for a night of excitement. This year's Turnabout took place on No-

vember 23, 1996. The theme was "Under the Stars," by Mariah Carey. The foyer was filled with beautiful decorations that set the evening for romance. The pictures were taken by Calumet alumnus, Anna Blackmon.

Sectional Spirit Week once again brought out Calumet's finest spirit!!! Warrior Spirit starts out with Class Color Day which has everyone showing off class colors. An other big thing for the week is the "Penny Wars." This is when each class president has to carry a milk jug to raise money for Riley's Children's Hospital. Although they want to raise the most money for their class, they need to raise enough so they had the most money after the penalties are taken away. The other classes would search through their penny jars to put the pennies in the other classes' jugs. Again the Penny Wars was a success. The classes combined, raised \$250 for Riley's. The Sophomores were the winning class and Jonathan Malchow threw pies in the other presidents' face.

Calumet's spirit was really shown at all three games. Despite Calumet's crowd not getting all dressed up like the other schools, we have our own unique style that blows the other schools away. On Tuesday night, Calumet's cheer block kept the fighting Warriors going. Calumet cheered their team to victory. On Thursday night, Calumet's faithful fans came out and supported their Warriors against our arch rival the Griffith Panthers. The fans and the spirit helped Calumet's Warriors capture another victory. On Friday night, the Warriors came out again to show off their spirit. Their spirit never died down despite a Sectional loss to Lake Central.

CLASS OF '99

Senior Jason Hulen looks up to say that giving blood is okay.

Once again, the Calumet High School Wrestling room was to become a blood donating center. The Blood Drive, sponsored by Heartland Blood Center and the Student Council, was held on March 12, 1997. Everyone has to work very hard to make the Blood Drive work. The Student Council members come to school early to set up for the Blood Drive.

Again, the Student Council's goal was 100 pints. They had over 100 people signed up, but only 76 were able to donate. Some people were turned away because they were sick, had body piercings, or had tattoos. The students who were not able to donate received a sticker that said they tried; and for those who did donate they received a sticker, that said, "Be Nice to Me I Gave..." Student Council thanks everyone for trying.

# CLASS OLYMPICS

The Yearbook Staff again sponsored the Class Olympics. This event is a good way to get students involved with one another and have a little competition between the classes. It also gave the Staff an opportunity to raise money for the upcoming yearbook. This year the Class Olympics was on March 14 in the Calumet Fieldhouse. After each event each class was awarded points as followed: first 4 points; second 3 points; third 2 points; and fourth 1 point. The Sophomores were the winning class and received \$50.00 for their class fund.

Many high schools have their share of problems, but how many have jewel theft and murder? Calumet High School's annual fall play was "The Great High School Whodunnit," an audience-participation murder mystery. The Calumet Drama Club presented this hilarious comedy on November 6, 1996. The basic plot line revolved around the theft of a benefactor's ring and the murder of the school security guard.

Football players Nick Botts and Tim Duszynski are trying to stay out of trouble during the assembly.

My favorite senior memory would be Prom, that is quite a memory.

**Christina Mendoza**

My best senior memory was when I was crowned Homecoming Queen. I can't explain how I felt and I got to share it with someone special.

# THE CHOICE FOR CALUMET... DRUG FREE!!

Red Ribbon Week took place October 21-26, 1996. The week was short, but P.U.S.H. still had a week of activities planned. On Tuesday, the annual "Candlelight Walk" was held. That's when candles are lit for all those who died because of drugs and drunk driving, then everyone walks a few blocks in silence to remember the dead. The whole school supported Red Ribbon Week by wearing their T-Shirts. Thanks for everyone's support during this important week.

There's even a day where students have the chance to teach for a day. Teachers take a day off and see how students are able to teach their classes. On Friday, it is a Teacher Appreciation Day! Student Council serves breakfast to the teachers to show them that they are appreciated!

# Looking Back

So what do these halls have to say about us? The 1996-97 Chief-tain staff has given you the main events, now you can look back and remember what you were doing during these momentous events. Did you help decorate the float or the halls during Homecoming week? Were you there when the wrestlers took on the Conference and Sectional titles, again? What did you do after Prom?

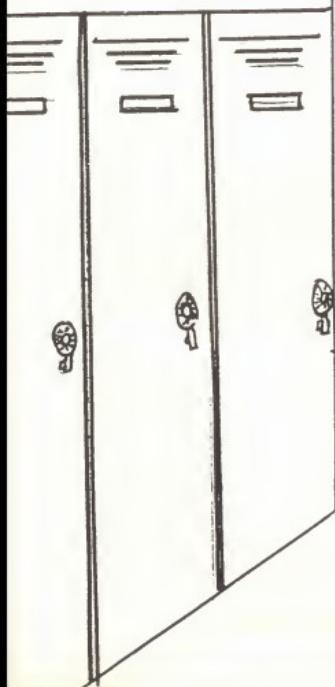

PROM

F EXAMS

Hopefully you can look back and have happy memories. More importantly, you can look back and be proud of what you've achieved. If not, it's never too late to start being more involved.

Thank You  
for your
